

Press Kit

Welcome to Bobby Dhillon's Press Kit, an essential resource for media professionals looking to feature Bobby in interviews, articles, or promotional features. Below you'll find all the materials needed to accurately represent Bobby's career and accomplishments in the film and commercial industries.

Biography

Bobby Dhillon is a visionary filmmaker with a passion for storytelling through captivating visuals. With a career spanning American blockbusters and international commercials, Bobby has established himself as a leader in both the film and advertising sectors. He honed his craft on iconic films like *Alien 3*, *Indiana Jones*, *Fifth Element*, and *Sense & Sensibility*, working alongside some of the industry's top directors. Over the past 15 years, Bobby has directed numerous high-profile TV commercials for brands such as Coca-Cola, Guinness, McDonald's, Ford, and Safaricom, developing a niche in the Middle East and Africa.

Bobby is recognized for his ability to create emotionally charged, visually stunning content while working efficiently under tight deadlines and within budget constraints. His expertise as a Director and Director of Photography (DOP) has allowed him to deliver high-quality results across diverse markets, building a reputation for authenticity and innovation in his projects.
